San Francisco State University
CSC 648 - 848
Milestone 0 Submission Form

Section 2 Team 14

Item	Credentials
Website URL	**http://ec2-52-53-199-247.us-west-1.compute.amazonaws.com/**
SSH URL	52.53.199.247
SSH Username	ec2-user
SSH Password/Key	
Database URL	postgres-team14.cxfqlkmdb4ek.us-east-2.rds.amazonaws.com
Database Username	team14
Database Password	Weareteam14

Addition information, anything to help with executing or grading of the current milestone
Alternate Website URL: http://tinyurl.com/gatorhouse SSH port: 22 Database: sfsu_housing Database Port : Port: 5432

It is important that the information in the above tables is accurate. If the form is filled out incorrectly or not at all your team risks losing points for M0. CEOs and CTOs cannot grade what cannot be accessed. If your team is using SSH keys they can be attached in the email as well.
